Crosby Police, fire respond to gas spill

The Crosby Police Department responded to a vehicle travel incident on Highway 210 on May 24 which involved a possible gas leak.

On May 24, a vehicle was traveling on Highway 210 when it struck a gas line on the 1000 block of Highway 210. The driver of the vehicle was not injured.

The Crosby Police Department and the Crosby Fire Department responded to the incident. The roadway was closed for several hours while the Crosby Fire Department worked to contain any potential gas leak.

No one was injured in the incident. The Crosby Police Department and Fire Department are working with the Minnesota Department of Transportation to determine the cause of the incident.

Crosby Police launches new website

The Crosby Police Department launched a new website on May 25. The website, crosbypolice.org, provides information about the department, its services, and how to contact the department.

The website includes a news section with updates on recent incidents and events, a community information section, and a section for submitting tips and information to the department.

The website is designed to be user-friendly and easy to navigate. It includes a search function to help users find the information they need quickly.

The Crosby Police Department encourages the community to visit the new website and provide feedback on its usability.
